### **Minutes**

Subject to the agreed changes the minutes were adopted as an accurate record of the meeting.

Following on from the previous meeting, the Toscaireacht were presented with a document which outlined the figures in relation to the Cnuas levels.

The Toscaireacht agreed that the calculation of the current value of the 1983 Cnuas of £4,000 is not the most accurate calculation given rising costs in the intervening years. It was decided that a more precise figure may be to compare the average wage/industrial wage in 1983 with that figure in 2006.

#### **Matters Arising**

The Toscaireacht were presented with correspondence from Theatre Forum requesting a meeting. The Toscaireacht agreed that a letter should be written to Theatre Forum to indicate that the Toscaireacht are not in a position to change Aosdána policy and Theatre Forum should redirect their request to the Arts

Council. The Deputy Registrar agreed to draft a letter to Theatre Forum to that affect

## 5. General Assembly

The Toscaireacht agreed the membership should be corresponded to in relation to the potential of an open/discussion day and suggestions for this, invited from the membership. The Deputy Registrar agreed to include information on this in the discipline ballot mail out.

#### 6. AOB

#### **Pension scheme**

To further evaluate the current value of the pension scheme to members of Aosdána, the Deputy Registrar recommended that individual members of the Toscaireacht should direct the broker for the scheme to prepare their personal pension value projections.

The Deputy Registrar suggested that a number of the Toscaireacht could then volunteer their personal information at a future meeting, so an overview of the value of the scheme can be established.

The Toscaireacht agreed their next meeting will take place on Thursday 22 February at 1pm.
